SPECIAL INDULGENCE FOR THE YEAR FOR PRIESTS:

The *Plenary Indulgence* is granted to all the faithful who are truly repentant who, in church or in chapel, devoutly attend the divine Sacrifice of Mass and offer prayers to Jesus Christ the Eternal High Priest, for the priests of the Church, and any other good work which they have done on that day, so that He may sanctify them and form them in accordance with His Heart, as long as they have made expiation for their sins through sacramental confession and prayed in accordance with the Supreme Pontiff's intentions: on the day which the Year for Priests ends, June 19, 2010, **on the first Thursday of the month.**

The *Plenary Indulgence* will likewise be granted to the elderly, the sick and all those who for any legitimate reason are confined to their homes who, with a mind detached from any sin and with the intention of fulfilling as soon as possible the three usual conditions, at home or wherever their impediment detains them, provided that on the above-mentioned days they recite prayers for the sanctification of priests and confidently offer the illnesses and hardships of their lives to God through Mary Queen of Apostles.

SUMMER YOUTH TRIP

Thank you to all the parishioners who purchased and baked goodies for the youth ministry bake sale last weekend! We are still looking for bottles to be dropped off at Buzzy's to help out with the trip. We are still in need of scholarship money. Any amount will be greatly appreciated. Thank you again for your continued encouragement and support.

Did You Know?

The Prevalence of abuse in Society

In surveys of adults, one out of five women and one out of ten men reported that they were sexually molested before they were 18 years old. This means that an estimated 40 million adult survivors of child sexual abuse are living in the United States today. An estimated 9.6% of all school children will be molested by an educator or an employee of a school between kindergarten and 12th grade. Between 13 and 34% of all females will be victims of sexual assault before the age of 18, and 7 to 16% of all males will also be victimized before they are 18.
